Sally Collins

October 11–13, 2010

Quiltmaker, teacher and author.

Sally Collins has been quilting since 1978 and teaching since 1985. Her quilts range in size from small to wall size and although she is most recognized for her quality workmanship, attention to detail and teaching expertise, her continual love and interest is in the process of quiltmaking, the journey. Her classes focus on how to achieve quality workmanship in any scale and are developed to help students advance and improve their own creative and technical skills as well as how to critique and correct their own work.

She loves the challenge of combining design, color and intricate piecing in a traditional style and this interest is illustrated and explained in detail through her books, "Small Scale Quiltmaking" 1996; "The Art of Machine Piecing" 2000; and "Borders, Bindings and Edges" 2004.. Her most recent book "Mastering Precision Piecing" 2006, shares her approach and methods for achieving quality workmanship in any scale, to help quiltmakers critique and correct their own work, improve and advance their creative and technical skills, and find joy and value in the process.

Lecture and Trunk Show	
Join us for a fun and informative evening as Sally shares her quilts in a chronological order and describe some of the problems she faced and how she approached correcting them.	Monday, October 11 Trinity Lutheran Church 7 PM Free to Members \$5 Guest fee
Workshops	
Achieving Quality Workmanship - This Lecture/No Sew class will focus on how to achieve quality workmanship and precision sewing in any size or scale based on my book, " Mastering Precision Piecing ." I will illustrate, explain and/or demonstrate my approach on choosing color and fabric as well as a variety of techniques including how to accurately rotary cut, accurate 1/4" seam allowance, template making, y-seam construction, various triangle techniques, how to measure and monitor your own work and more. Note-taking supplies are all you need. If you are interested in knowing how to improve your sewing skills, this is the class for you!	Tuesday, October 12 Morningstar United Methodist 9:00 AM—4:00 PM \$36-\$58.00
Borders, Bindings and Edges - This Lecture/No Sew class will focus on how to design, figure out and fit pieced borders, corner triangles, narrow borders, spacer borders, automatic fit borders, and mitered symmetrical border prints to your quilts. I will define, explain and illustrate each style with lots of quilts, visual aids and mock-up samples. Time permitting, some binding and edge styles will also be covered. Note-taking supplies are all you need. If you are interested in bringing your next quilt to a beautiful conclusion, this is the class for you. Although this class is based on my newest book " Borders, Bindings and Edges " it is not required for class.	Wednesday, October 13 Morningstar United Methodist 9:00 AM—4:00 PM \$36-\$58.00
