The goal of Las Colcheras is to present a quality regional judged exhibition of quilts and wearable art at its quilt show. Entries will be accepted from all quilters regardless of age, residence, or experience. We believe a prize-worthy entry should combine and reflect mastery of design principles such as balance, scale, unity and rhythm; excellent use of color, value, intensity and texture; and superior workmanship in the quilt making process. This philosophy will serve as the basis for the decisions of the judge.
