

2023 MYSTERY QUILT

STEP 3

For this step we will use:

All 100 (small size – 24) B DARK squares

All 100 (small size – 24) A LIGHT rectangles.

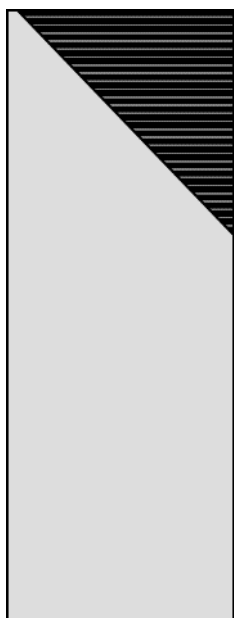

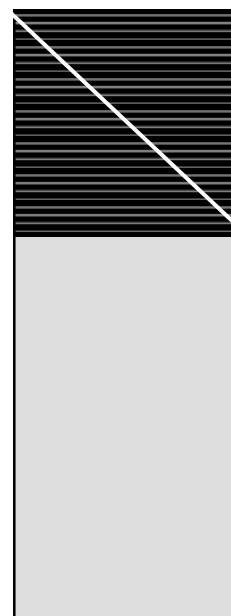

Note:

If you are using a B dark fabric with a directional print, please see step 2 for extra instructions

This is similar to last month—but we are sewing the diagonal in the opposite direction.

Place the square over the rectangle and sew together on the diagonal from upper left to lower right. It is extremely important that all of these are done the same way.

You can trim away the excess **after** you are positive you sewed them all correctly, and then **press to the triangle**.
